

Sponsor weekly play sessions with a structured activity and free play time each week. If this program is successful, the community center would like to offer this play session on a daily basis. The following information needs to be considered, a parent can have more than one child, the parent information, including name, phone number, and mailing address need to be tracking. Child's name, gender and age need to be tracked. The ability to track one or more sessions, including date, time, location and session type. Eventually the community center would like to add additional special "activities" that the parents and children would be interested.
